* Diving Packages include tanks and weights. They can't be split between two persons.
 * Inexperienced Divers (less than 40 Dives) will be guided on boat trips by an instructor. We charge an extra of 7.-US\$ locally.
 * Extra local charge of 1.-US\$ per tank for the tank handling fee
 * The first dive is an accompanied acclimatisation dive which takes place on the house reef
 * Medical Statement: A medical examination is always advisable prior to participating in scuba diving activities, but only required if one or more questions in the medical statement have to be answered with a "yes".
 Diving Course:
 # The diving-course includes regulator, tanks and weights. Excluded are mask, fins, snorkel and wetsuit.
 # SSI Open Water Course Course "Open Water Diver" (from 10 years) The globally recognized diving Certification takes 3,5 days and entails theory, an introduction dive, 6 in-water sessions and the final exam. Price includes: - **SSI**: Online manual (temporary) in digital form included in the course price. For an additional fee of 40.00 USD a permanent on- and offline version of the manual and the videos can be bought. The SSI certification is digital. A printed certification card costs 25.00 USD surcharge.
 # SSI Advanced Adventurer - The Prerequisite for the course is SSI Open Water Diver or an equivalent.
 The course includes five dives which take place on two days. Compass and torch are included in the price. - **SSI**: Manual online (temporarily) in digital form. For an additional fee of 40.00 USD a permanent on- and offline version of the manual and the videos can be bought. The SSI certification is digital. A printed certification card costs 25.00 USD surcharge.
